2/2 Without Gorbachev's policy of liberalisation and opening, and without his vision of independence for all peoples, there would not have been the Paris Accords on Cambodia, signed on October 23, 1991. [#SamRainsy](#)

Cambodia Needs Democracy, Not Another Electoral Charade

When Cambodians vote in commune elections this weekend, the world should not be fooled by the appearance of political pluralism.

Think about your "safety". That's the regime's advice.

**ou ritthy** អ៊ុយ រិទ្ធី @ouritthy · Aug 26

Need your opinions/advice 🙏 In the context of shrinking civic & political space, if we say "follow your choice, and be artistic & strategic for your safety", are we trying to be politically correct?

Today, I visited @ThearySeng who was convicted of treason & incitement due to her political stance and activism. She was transferred to Preah Vihear prison after a day at Phnom Penh's Prey Sar prison. She is well physically & mentally.
